

Securitas Canada Launches its State-of-the-Art Canadian Security Operations Centre

As a world leader in protective services and security solutions, Securitas is committed to providing customers with best-in-class protection. This is delivered through a highly trained workforce, coupled with the latest in technology. Our new state-of-the-art Canadian Security Operations Centre (CSOC), enhances guard effectiveness, while providing customized, alternative security services to potentially save customers money.

The Securitas CSOC is operational 24/7, 365 days a year, and is staffed by highly trained, bilingual Security Specialists who deliver a wide range of Remote Guarding services, including:

- Security Alarm Monitoring
- Fire Alarm Monitoring
- Elevator Alarm and Telephone Monitoring
- Remote Alarm Verification
- Real-time video surveillance to support:
 - Remote Employee Escort
 - Remote Entry/Exit Management
 - Remote Patrol
 - Remote Perimeter Protection
- Mobile Dispatch
- On-Site Guarding Dispatch
- Remote Lock and Unlock

The Securitas CSOC has been built to ULC Standards and possesses auto fail-over back-up systems, a back-up diesel electric power supply, multiple telecommunications providers, redundant database servers, and has a full-capability disaster recovery hot site available for emergencies.

Securitas, a global leader in the security industry, has been providing security services since 1899. With over 7,000 people in 24 offices in Canada, and 310,000 people globally, we have the experience and knowledge to offer a broad range of services, including: On-Site Guarding, Remote Guarding, Mobile Guarding, Technology Solutions, Risk Management, and Investigations. Our Integrated Guarding Solutions will allow you to customize your security program by combining any of our security offerings resulting in Cost Efficiencies, Increased Security Flexibility, and Service Unification. Securitas will meet all of your security needs, large or small. Securitas Canada is ISO9001:2008 certified for the provision of security services.
