

MOBILE GUARDING

Mobile Guarding gives you access to world class protection, highly trained guards, and advanced technology that will protect your premises, staff and/or residents 24/7.

Use Mobile Guarding as a stand- alone service on a temporary or long term basis, or create a customized security solution by combining Mobile Guarding with On-Site Guarding and/or Remote Guarding for our industry leading Integrated Guarding Solutions.

Whether you choose a scheduled patrol, a random visit, or alarm response services, you will reduce risk of theft and vandalism by having a clearly identified vehicle at your premises.

Mobile Guarding Services include:

- Alarm and Incident Response
- Exterior and Interior Inspections
- Perimeter Protection and Parking Lot Patrols
- Lock & Unlock Services for Facilities, Sites, Gates
- Escort Services
- By Law Enforcement / Bicycle Patrols
- Dedicated Patrol Vehicles for a Specific Area
- Electronic Tour Confirmation System / Event Reports
- Live Web-based Applications Allowing You Access to Your Account
- Eco-Friendly Vehicles with GPS
- 24/7 Communications & Dispatch Centre
